

Article 11 – Seniority

E. Exceptions

–CSR cost centers shall be combined for purposes of Cost Center Seniority, despite separate scheduling.

If a bargaining unit Imaging# a Multi-Modality Technologist, their existing, regularly provides services in two or more modalities and transfers to a position in a cost center that provides the service of one of their modalities, their Cost Center Seniority date shall be the date on which they started providing services in the modality of that cost center.

Bargaining unit Imaging Technologists working in Diagnostic Outpatient Radiology, who previously worked in the now-dissolved orthopedic center, shall retain their Cost Center Seniority as if they had been working in Diagnostic Outpatient Radiology.
